JITENDRA SHINDE
Front-end Developer | UI Developer

SUMMARY

In my role as a UI developer, I have successfully transformed complex Figma designs into functional HTML and CSS code. Collaborating closely with teams, I prioritize responsive web interfaces that remain faithful to the original concepts. My experience in agile workflows has allowed me to efficiently manage tasks and ensure cross-browser compatibility. This has refined my technical skills and enhanced my ability to bridge the gap between design and user-centric digital solutions.
